The Liberty Lake Municipal Library may decide to make use of exhibits and displays to support the library’s goals and objectives; they may also, from time to time, allow outside organizations and individuals to mount exhibits or displays. All decisions as to who is allowed to mount an exhibit or display; what, in general, can be included in the exhibit or display; and where, when and for how long the exhibit or display will be presented, rest with the Library Director. Anyone interested in mounting an exhibit or display must first contact the Library Director for approval and should read this policy paper thoroughly before being allowed to proceed. All exhibits and displays will be held and maintained within the library premises. Additional policies are as follows:

3. Maintenance of Exhibits and Displays:
   a. Exhibits and displays mounted under direction of the Library Director will be maintained by the Director and library staff;
   b. Maintenance of all other exhibits and displays will be the responsibility of the individual/group that set them up, in accordance with directions for maintenance given by the Director. If the responsible individual/group fails to properly maintain the exhibit/display, the Director will give them a warning. If the individual/group ignores the warning, the Director may instruct library staff to disassemble the exhibit/display after a reasonable amount of time.
