Computer Training

Have questions about internet searches, setting up an email account, or Microsoft Office? Free help is available by appointment. Ask at the front desk or call us at 509-232-2510

The library offers resources online, in print, and at the library that will assist you with job hunting, resume and cover letter creation, and even develop educational skills, such as Microsoft Office products, time and task management, and accounting and finance management. Search all these topics and more in our library catalog and with the online resources listed below.

Use the library's Learning Center, where you can apply for jobs online, create resumes and cover letters.

Also print applications, resumes, and cover letters for free at the library.
