Volume 11, Issue 1

## Newsletter

### NEW FOR 2018!

We're starting out the new year with some fantastic new educational and fun classes and events for all ages. Check 'em out and register as soon as they are announced.

### WINTER READING

Our Winter Reading Challenge continues with great books and great prizes for all ages. Kids can read or be read to for 4 hours or 4 books; adults play Book Bingo with a playing card available at the front desk. The Challenge ends on January 31st.

STEAM Playtime | 2nd & 4th Thursday's 10:30 AM | Ages 2-5

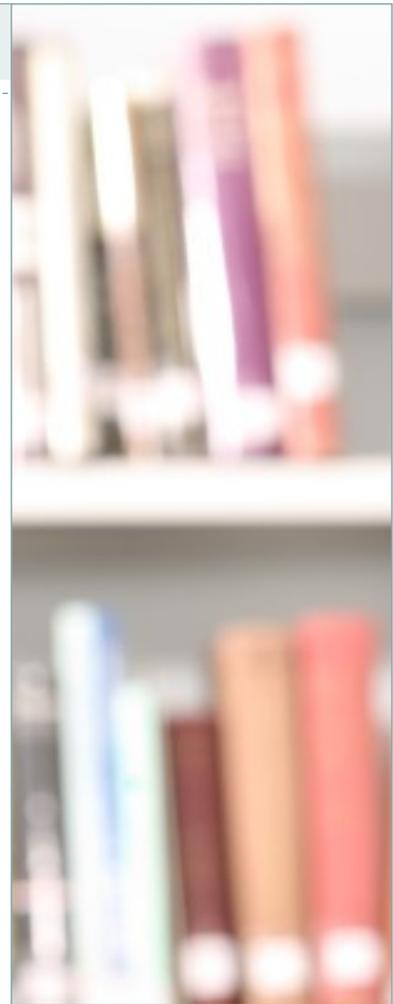

### TINKER TOTS

A new STEAM playtime is planned for the 2nd and 4th Thursdays every month at 10:30 for kids ages 2–5 beginning this month. Each week's play will have a theme, whether science, technology, engineering, art or math. Parents and kids will have a variety of activity stations to choose from as they explore STEAM play together.

### KIDS' KEYBOARDING

Our Coding Club will resume in January but we've noticed that keyboarding skills are slowing the kids down. Our new Keyboarding Class will improve coding skills and help prepare kids for typing their school reports, which starts sooner than most parents think. Hunt & Peck is OUT! Keyboarding is IN! Begins January 18th at 4 pm for kids in 2nd grade and up. Watch for registration announcement. **Kids Keyboard > [goo.gl/Pvq94c](http://goo.gl/Pvq94c) is now open.**
