Coming in September —

# Liberty Lake Reads:

**Let's do a Community Read! During the month of September we'll read, listen to, and talk about Phaedra Patrick's "charming" book.**

*Copies are available through the library and bookstores. More details about Liberty Lake Reads in the September Newsletter.*

**"Phaedra Patrick understands the soul. Eccentric, charming, and wise...This book will illuminate your heart." — Nina George, New York Times bestselling author of *The Little Paris Bookshop***

Phaedra Patrick is the bestselling author of two novels **THE CURIOUS CHARMS OF ARTHUR PEPPER** and **RISE AND SHINE, BENEDICT STONE** (known as **WISHES UNDER THE WILLOW TREE** in the UK).

Her first novel, **THE CURIOUS CHARMS OF ARTHUR PEPPER** was translated into over twenty languages worldwide, with film rights optioned in the US. It was awarded the Prix des Lectrices 2017 in France.

Sixty-nine-year-old Arthur Pepper lives a simple life. He gets out of bed at precisely 7:30 a.m., just as he did when his wife, Miriam, was alive. He dresses in the same gray slacks and mustard sweater vest, waters his fern, Frederica, and heads out to his garden.

But on the one-year anniversary of Miriam's death, something changes. Sorting through Miriam's possessions, Arthur finds an exquisite gold charm bracelet he's never seen before. What follows is a surprising and unforgettable odyssey that takes Arthur from London to Paris and as far as India in an epic quest to find out the truth about his wife's secret life before they met—a journey that leads him to find hope, healing and self-discovery in the most unexpected places

Featuring an unforgettable cast of characters with big hearts and irresistible flaws, *The Curious Charms of Arthur Pepper* is a joyous celebration of life's infinite possibilities.
