## NO TRICKS, JUST TREATS

Thank you to Tierpoint and the Friends of the Liberty Lake Library. FOLLML received a grant from Tierpoint that helped enable the purchase of littleBits kits for STEM programs at the library. LittleBits are a hands-on learning system of electronic building blocks that allows students of all ages to create with technology. Fun programs featuring these kits will be coming soon!

This month we have an assortment of programs for all ages including T(w)een Paint & Snack, 'Monster Sweets,' adult crafts, family fall crafts, Build it with pool noodles, HOOT Bird Show with West Valley Learning Center, and much much more.

Our annual Halloween celebration at the library will feature crafts, music, a costume contest and a Zombie Nerf target practice because you just never know when the zombie apocalypse will happen.
