SUMMER IS JUST AROUND THE CORNER!

Please welcome another new library hire, Adrienne Chapple. Adrienne recently moved from Stanwood, Washington where she worked for the King County Library System for 17 years. She loves the outdoors & enjoys walking and hiking. With the Covid-19 shutdown, Adrienne took an interest in dream analysis and actually took a year-long dream interpretation course. Welcome Adrienne!

This month we have some extra special guests joining Miss Erin for our May 5th story-time including a baby Alpaca, a goat, & more! We're also welcoming spring with our Take & Make kits including a bee-friendly seed bomb kit for adults and butterfly magnets & butterfly books for the 0-10 crowd. Teens will have another simple cooking class and a fun Mother's Day kit to brighten that special someone's day. Finally, don't forget, the second in our Art Journaling class is coming up on May 13th.

As always, keep your eyes on our calendar, Facebook, & Instagram pages for everything we have coming up.

Walking, I am listening to a deeper way. Suddenly all my ancestors are behind me. Be still, they say. Watch and listen. You are the result of the love of thousands.

Summer Soiree, The ultimate masquerade party scheduled for July 14th, 5:00 - 8:00. With the help of Liberty Lake Wine Cellars, we plan to raise more than just the roof by continuing support for our Library. There will be an online auction for valuable items and winners will be able to pick up at the Soiree.

There will be competition in the form of lawn games, with prizes. A dessert, drink and an evening of entertainment and fun while maintaining current social etiquettes. Our entertainment is the incomparable Mark Ward. Admittance tickets cost \$30 and are on sale online at: www.libertylakefriends.org. Registration for the games will be at the Soiree. Getting your vaccination when possible makes sure plans become a reality.
