Volume 3: Issue 2  
Summer 2010

# Summer Reading 2010!

## ANNOUNCING: Summer Reading for All Ages begins Saturday, June 19th!

All things **WATER** is the theme this year for the 2010 Liberty Lake Municipal Library Summer Reading Program. Whether you are under 11 years of age and want to **Make A Splash**, 12-18 years old and **Making Waves**, or an adult wishing to **Water Your Mind** there are fun activities and great books to fill your summer. Come to the Library anytime on or after June 19 to sign up and pick up a reading log. We have reading

logs available for Adults, Teens, Independent Readers, and Family Readers to keep track of reading and earn prizes.

When you sign up for summer reading you will receive a packet of reading supplies & a calendar of events for the summer. The two-sided calendar lists the dates of summer reading and some of the programming that will be included. Most programming is designed for the family. If there are age limitations, they will be listed on the programming calendar. The calendar also will be avail-

able online and updated should events be added during the summer. Please check our webpage under **PROGRAMS and ACTIVITIES** for anything new.

All of the information about summer reading will be available on the Library's webpage. at [www.libertylakewa.gov/library](http://www.libertylakewa.gov/library). Check the Children's Library, Programs and Activities, Teen Space or Adult Space to see what is going on at the library and for more information about Summer Reading.

**Registration for Summer Reading begins Saturday, June 19th. Programs end on August 21st.**

## Resume Help Workshop June 24th

Need help getting that resume polished and ready for the 21st century? Want some feedback or some advice on getting started?

Want to talk to a REAL PERSON?

The Library is hosting Kathryn Kennedy of Advanced Career Counseling on Thursday evening, June 24th, 6-8 pm, for a FREE workshop and some one-on-one time to help you present your best self on paper to

prospective employers. The workshop is limited to 10 people and registration is required. Sign-up at the library, email us, or give us a call.

The Renew Washington grant was awarded by the Office of the Secretary of State, Sam Reed, and the Washington State Library. Funding support for these grants is provided by the Bill and Melinda Gates Foundation and the Institute of Museum and Library Services.

## CREDOreference Your Open 24 X 7 Library

### What is Credo Reference?

Credo is a vast, online reference library, providing access to the full text of hundreds of highly regarded and popular titles. And Credo brings the facts alive with images, sound files, animations, videos and much more. Find speedy, simple answers and authoritative, in-depth articles.

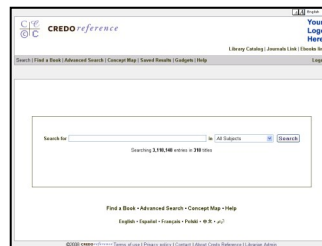

### What types of books are available?

Credo Reference contains dictionaries, bilingual dictionaries, thesauri, encyclopedias, quotations and atlases, plus a wide range of subject-specific titles covering everything from accounting to zoology, via maps, math, management, martial arts, media studies, medicine, mountains, moons, music, multimedia, mythology.

### How do I access Credo?

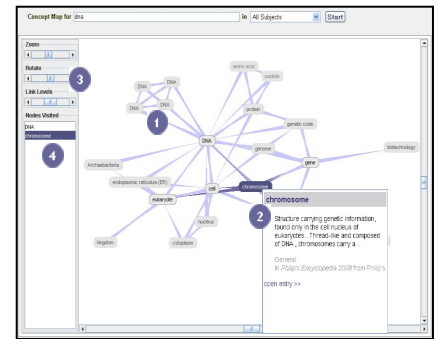

Visit the library web site at [www.youseemore.com/libertylake](http://www.youseemore.com/libertylake) and select Credo Reference from the list of electronic resources in the right hand column and login with your library card number.

### How do I use Credo?

Begin your search with Credo's basic, simple search screen. Search all Credo subjects or

choose to limit your search to one topic, such as Art, Literature, History or Psychology.

Stuck in your research? Brainstorm ideas with the Concept Map! Enter your search term into the Concept Map and find additional topics to explore.

Come to the Library and ask us to show you all the ways to use this great site!

## New Survey: Please Tell Us What You Think

It's been over a year since the Library moved into it's new home. We've heard from you how much you like our new location and how pleased you are with the interior design, the colors, the spaces for age groups and the comfortable furniture. The Library staff is thrilled as well. We thank

the community for its support for this wonderful new facility.

**It's time now to hear from you again. We need to know what you would like know what's important to you and what direction you'd like to see the Library**

**take as we plan for the next 3-5 years. In light of the constrained economic times, our budget depends on your support.** Our new survey is found on the Library Catalog page by clicking on the blue "Survey" announcement at the top. We're looking forward to hearing from you!

## July Art Show to Feature Young Artists

Beginning in September, LLM began hosting displays of the work of local artists. Liberty Lake artist Natalie Gauvin, whose paintings kicked off the new program, serves as the contact for artists who wish to display their work. Each month a new artist is invited to display and present a program discussing their art.

**In July the Library will again host a juried art show for the work of children and young adults. Applications and art must be received at the library no later than Saturday June 26th, 3 pm. Applications are available on line at [www.libertylakewa.gov/library](http://www.libertylakewa.gov/library).**

Artists wishing to mount a show should call Natalie Gauvin at 844-6857. Invitation to display is reserved to professional & emerging artists, children's shows, or by special arrangement.

# Summer Reading Calendar

Special thanks  
to Friends of  
the Library!

2010

@ Liberty Lake Municipal Library

It is all about WATER this summer at the Library! Come in and cool off with programming and activities having to do with WATER!

Sept-Over Tumbled Graves/ J Walter

Oct-Lone Ranger & Tonto Fistfight in Heaven/S Alexie

## Anytime Computer-based Software Classes at the Library

Great News! The Library now has Microsoft Office products classes available anytime to help patrons teach themselves how to use the Word, Excel, Power Point and Publisher programs. These instructional videos by Brainstorm, Inc. are accessible from any computer in the library and are geared to all but the most advanced skill levels. Really! The first lesson is VERY basic and the wonderful thing about it is that you can play each lesson over and over again until you are ready to advance to the next one. The instructions are clear and illustrated in each step. Come to the Library and try out a Word lesson and then go one to conquer the entire Office!

## Computer How-To Basics

Saturdays 2-3pm, July 10-Aug 14

Get started with staff help and then take it from there with the Brainstorm software!
