## Put a Library Card on your Back-to-School Shopping List!

Why does your child need a library card? The Liberty Lake Municipal Library can play an important role in the education and development of your child.

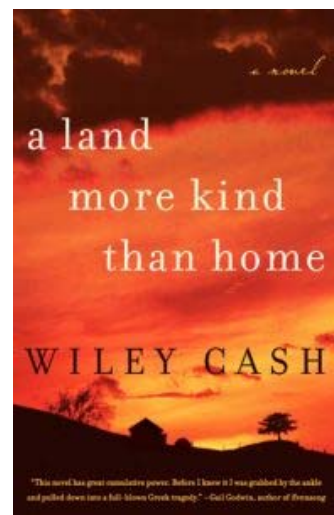

The schools do a great job in preparing children, but even the resources of the best schools cannot provide everything. The wealth of free resources you will find at LLML can unleash your child's mind, improve the quality of assignments, and help him or her to reach full potential.

### How LLML cards can help:

- \*Thousands more resources to choose from, print & online
- \*Personal help by librarians to find just the right resource
- \*Open after school closes and on Saturdays
- \*Reading Counts & Accelerated Reader labeled collection

## Spokane Is Reading 2017: *A Land More Kind Than Home*

3 copies are available at the Library

*A Land More Kind Than Home*, is a haunting tale of courage in the face of cruelty and the power of love to overcome the darkness that lives in us all. The resonant and evocative characters that tell the story make Wiley Cash's debut novel "a thriller" that is hard to put down. The New York Times says it is a "mesmerizing first novel" and an "intensely felt and beautifully told story."

a variety of artists will be on display  
and artists invited to present pro-  
grams discussing their art or  
demonstrate/teach a technique.

Invitations are reserved to profes-  
sional & emerging artists, children's  
shows, or by special arrangement.

## Back to School Safety Tips from Chief Asmus, LL Police Department

A new school year is ready to begin. For some children it is a time to return to their classroom, renew old friendships and to meet new friends. For other students it means going to a different school, excited and eager to face a new time in their life, perhaps with some reservation.

As the children are heading back to school, during the early mornings and early afternoons, the roads become crowded with pedestrians, bikes and cars in a rush to and from work and school.

It is important to help the children to and from school safely, here are some tips for our residents:

### Walking:

Work out a safe route to your school with your children.

Walk with a friend, never alone.

Do not accept rides or gifts from strangers.

If you see anyone doing anything that makes you uneasy, tell your parents or a teacher.

Always cross at the corner. Parents should set an example for their children.

### Driving:

When you are traveling in your car be sure to observe the speed limits in school zones.

Drop off your children in a safe place, avoiding areas that congest traffic.

Do not stop in traffic to drop off your children.

Never call your child to your car from the opposite side of the street. Always cross at the corner.

If you have special needs, contact someone at the school and alert the police department to assist you.

### Bicycle:

If you ride your bike, always wear a helmet and lock your bike with a sturdy lock.

Walk your bike across marked crosswalks

Obey all the rules of the road.

Wear bright color clothing to increase visibility.
