- On December 18, 2018, Liberty Lake City Council adopted Ordinance No. 256, annexing 59.68 acres of land owned by CVSD into the City of Liberty Lake, and establishing a zoning designation of “P” (Public/Semi-Public Institutional). The annexation went into effect on February 19, 2019.

- The proposed amendment updates the City of Liberty Lake Zoning map contained in City Development Code §10-2A-5.

- A certified copy of Ordinance 256 is attached as Exhibit A. The proposed revision to the zoning map is reflected in Exhibit B, Revised Zoning Map.
STATE OF WASHINGTON REGULATORY FRAMEWORK, AUTHORITY & REQUIREMENTS:

RCW 36.70A: Growth Management Act (GMA):

Liberty Lake is mandated to plan under GMA. The City’s Comprehensive Plan and Development Regulations were developed in accordance with the requirements of GMA. Development Regulations are required to implement the City’s Comprehensive Plan, and any amendments to City Development Code must be consistent with the City’s adopted Comprehensive Plan. The City must provide reasonable public notice of proposed amendments and opportunities for public participation.

RCW 35.13.177: Comprehensive land use plan for area to be annexed:

Provides that the legislative body of the city may establish a comprehensive land use plan for the property proposed for annexation, to become effective upon annexation.

RCW 35A.14.330: Proposed zoning regulations:

Provides that the legislative body of a non-charter code city may prepare and establish zoning regulations for the property proposed for annexation, to become effective upon annexation.

Development code amendments must comply with procedures established in WAC 365-196, including rules regarding internal consistency, interjurisdictional coordination, public participation requirements, and notification to the Department of Commerce of “intent to adopt” proposed code amendments at least 60 days prior to final adoption.

WAC 197-11: State Environmental Policy Act (SEPA) Rules:

While annexations are exempt from SEPA, Comprehensive Plan Land Use and Zoning Designations are subject to SEPA review as a non-project action, in accordance with procedures established in WAC 197-11.

CITY OF LIBERTY LAKE REGULATORY FRAMEWORK & PROCEDURAL REQUIREMENTS:

City Code §10-4B-5: Type IV Projects:

Comprehensive Plan and Development Code Amendments are classified as Type IV Projects in the City of Liberty Lake Development Code and are considered legislative decisions. The procedural requirements and decision criteria are detailed in City Development Code §10-4B-5.

SEPA REVIEW:

While annexation is exempt from SEPA review, the Comprehensive Plan land use and zoning designation for the subject property requires a SEPA review as a non-project action. The City of Liberty Lake issued a Notice of Application and disseminated the SEPA checklist for review and comment on October 24, 2018. The City issued a Determination of Nonsignificance (DNS) for this project on November 6, 2018 following
the close of the agency comment period. The appeal period closed at 4 p.m. on November 19, 2018 and no appeals were filed. The optional DNS process in WAC 197-11-355 was used in this review, and a copy of the threshold determination for this proposal was provided to reviewing agencies after the close of the comment period. A project-specific SEPA review will be required prior to development of the subject property.
