Agency Adopting Document: City of Liberty Lake

The lead agency has identified and adopted this document as being appropriate for this proposal after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision maker. This information is available to the public upon request. The complete record in this matter is on file during the appeal period with the review authority listed below and is available to the public upon request.

Lead Agency: City of Liberty Lake

The lead agency for the proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). The SEPA Determination of Nonsignificance (DNS) Threshold Determination was made after review the NEPA Documented Categorical Exclusion and the supporting studies and documentation, and other information on file with the lead agency. This information is available to the public on request. The complete record in this matter is on file during the appeal period with the review authority listed below and is available to the public upon request.

This DNS is being issued under the procedures established WAC 197-11-630 regarding the adoption of an existing environmental document: the lead agency will not act on the proposal for 7 days from the date of issuance. A copy of this SEPA determination has been provided to the Dept. of Ecology - Olympia, Dept. of Transportation - Spokane County, and Other Reviewing Agencies.

APPEAL OF THIS DETERMINATION, allowed under City Development Code Section 10-6A-7, subsection "C" shall be filed within fourteen (14) days after the determination has been made and is appealable. Any administrative appeal of a procedural or substantive determination under SEPA issued at the same time as the decision on the project action shall be filed within fourteen (14) days after notice of the decision has been made and is appealable. In order to allow public comment on a DNS prior to requiring an administrative appeal to be filed, this appeal period shall be extended for an additional seven (7) days if the appeal is of a DNS for which public comment period is required under the provisions of the City Environmental Ordinance or chapter 197-11 WAC. A notice of appeal must be delivered to Planning & Building Services by mail or personal delivery and must be received by 4:00 p.m. on the last day of the appeal period, unless the last day of the appeal period falls on a weekend or holiday, the notice of appeal shall then be due on the following business day. Appeal requests shall contain all information and items required in the City Development Code Section 10-4B-4, subsection H and shall follow the procedures outlined in City Development Code Section 10-6A-7, Subsection C for SEPA Appeals and Section 10-4G-2, subsection H for Appeals of Administrative Interpretations by the Director. Appeal Closing Date: 4 p.m., February 19, 2021.
